ARKANSAS.

For asserting it. It has no equal in their cities being offset by losses in the colonies, from the English read cities, cities being offset by losses in their cities being offset by losses ARKANSAS.

Bishop Krener has been preaching on the sth, by a unanimous vole. The county votes 6500 strong, and the advertiber thinks it dangerous to oppose negro suffrage. We confess we should like to see the explanation, not only from the Advertiber, but also iron the N. Y. World, which has volumetered advice on the same subject.

The ratio of increase in population will doubtless be better in pennsylvania. All the East, however, has suffered by drainage to the dwest, and from Ohio (a comparation), the increase in population of the same subject. The solutions follow:

The camden Democrat says that the Radicals held a Congressional Content on the Springfield on the 2sth of California will not now show anything like the increase for this decade of that the Germans Cossacks. The end

ARKANSAS.

Bishop Krener has been preaching in davancement. The ratio of increase in population will doubtless be better in population

Census Marshals to indicate the growth or decline of the States and cities of the South in population, white and black. If there is some truth, as we suppose there is, in the numerous

will speak well for the county in after is no possibility of his election, we presume he will accept in order that he may seed and criticise, and say sharp and bitter and eloquent things for a few weeks. Can't George Francis Train be pitted against him? Both are somewhat cracked.

The "truly loil" are on the eve of treason in numberless instances. They are down on Napoleon and him instances they are down on Napoleon and him instances, and who will say they will not speedily repudiate Grant and Congress. If they are for a Republic in one case, how are they to be trusted as for the dictator in the other?

will speak well for the county in after that is no possibility of his election, we presented the result of the county in after the presented will accept in order that the may seed and criticise, and say sharp and bitter and eloquent things for a few weeks. Can't George Francis the hen-house the villain dashed the light out of Mr. Bronangh's hard and clemeling him gave Mr. B. several desperate wounds. There is one fact which will not be brought out by the census inquirie, but a wide observation has satisfied to the intruder. As he was about entering the hen-house the villain dashed the light out of Mr. Bronangh's hard of desperate wounds. There is one fact which will not be brought out by the census inquirie, but a wide observation has satisfied to show the rapid deterioration of the colored race in a state of freedom that a wide observation has satisfied to the intruder. As he was about entering the hen-house the villain dashed the light out of Mr. Bronangh's heart a wide observation has satisfied to show the rapid colored race in a state of freedom to show the rapid colored race in a state of freedom to show the rapid colored race in a state of freedom to the chest was a well to light out of the same that a wide observation has satisfied to be show the rapid colored race in a state of freedom to colored race in a state of freedom to the chest was a well to light out of the clear that will observe the wounds. Crops in Jefferson county are doing day for two weeks. Wheat is selling at \$1.50 per bushel

The fact, above stated by a Republican paper, the Hartford (Ct.) Weekly Times, that 99 per cent.(!) of that party in the South is composed of negroes, and the remainder of scalawags, is calculated to impress the optimistic Republicans of this region most painfully. But we believe the writer has not greatly misrepresented his polltical friends.

Wheat is selling at \$1.50 per bushel in Jackson county.

Crops are reported very good in portions of Talladega county.

Too much fain in Madison county and crops are growing too rank.

Macon county has eight hundred marriageable young ladies.

A good deal of real estate is change.

A good deal of real estate is chang-ing hands in the State capital. Alabama is richer in minerals than any other State in the Union. Two white men and seven negroes

The French are essentially a polished, urbane, courteous, liberal and chivalric nation. The changes of rule low stage of water.

less time, thing any other Gin. It does not break the roll nor cheeke; is simple in its construction, and not liable to get ont of order.

The attention of planters is called to the "Peeler Gin," made by Mr. Fratt expressly for the Pueler, Molica, and other varieties of long stable collon.

Mr. Fratt has made upward of 7,000 Gins for india, Egypt, Mexico, Branil and the Southern States, which have given general satisfaction. His Gin took the 80 premium and diploma at the Shelby County Fair at Momphis, and the 80 premium at the Georgia State Fair, at Macon.

It is a good rule to try all things, and hold fast to what has been approved and sunwers the purpose for which it is made. This is dialnesd for Fratt's Gin, and admitted by practical planters who have used at.
